SPONSOR AN AFRICAN SCHOLAR

Davis Msafiri Juma

Davis is 17 years of age, he was born on 5th September 2001. He is currently a day scholar at Tononoka Secondary School. He is in Form 4. He is an above average student and will finish his secondary education in November 2019.

### **Family Background**

Davis is the first born in a family of three children which is composed of one girl & two boys. Davis stays with both of his parents in the Kongowea slum. David's dad is the sole provider while his mother is a housewife. On a monthly basis he earns 50 euros which is divided in paying school fees, rent and acquiring other basic needs. Davis's cousin who is an orphan also lives with the family. The cousin also depends on Davis's dad to cater for her educational needs & basic needs.

Davis was lucky to join secondary school through the help of community development bursary which he had previously applied for. Since then the dad has worked extra hard to make sure that his son is in school. Davis is always in and out from school because of school fees. Currently he is at home, due to the same problem.

Davis siblings are in a free government primary school. They all stay in a one room Swahili house which has electricity but no running water.

### **Educational Background**

David's favourite subjects are mathematics, he also enjoys athletics and football, he is a die-hard Manchester United fan. His future ambition is to become a priest.

**EMPOWERMENT THROUGH EDUCATION**
