SPONSOR AN AFRICAN SCHOLAR

Grace M Jackson

Grace is 15 years of age, she is currently a full time boarder at Ushindi Baptist high school. She is in form 2 and she will finish her secondary education in 2021. Grace is an above average young girl whose future ambition is to become a pilot.

Family Background

Grace stays with both of her parents in the neighbourhood of kongowea. She is the last born in a family of 4 kids. All of her siblings are married and have their own family. Grace and her mum depend on the dad who works as a driver to an Indian hotelier On monthly basis his dad makes 100e which he uses it in acquiring basic need and also save some for grace studies.

Grace has had problems with fees as the amount which his dad earns is not sufficient. So most of the time she is sent home because of school fees. She plea for SAAS organization to help out as she loves education but she cannot see herself meeting her dreams if she is always out of school.

The family stay in one room Swahili house which has electricity but no running water.

Grace enjoys science and her future ambition is become a pilot She also enjoys ball games and ensure that she plays a lot during her free time.
