SPONSOR AN AFRICAN SCHOLAR

## **RAJAB HASSAN**

Rajab is 16 years old.

He is currently in form three, and his dream is to become a Journalist one day.

Rajab sat for his Kenya Certificate of Primary Education (KCPE) exams in 2022, scoring 315 marks out of 500.

He is the firstborn in a family of 4 children, all boys. They stay with their mother after their parents separated.

They live in a single room with power but no running water.

Rajab and his brothers depend on their mother, who sells groundnuts, to make ends meet. The little she makes is barely enough to meet family needs, let alone pay school fees.

Despite his challenges, Rajab is optimistic that he will get help to go to school and achieve his dreams. If he is granted a scholarship, he has promised to continue working hard.

During his free time, he enjoys playing football.
