SPONSOR AN AFRICAN SCHOLAR

RIANA CHELEGAT

Riana is 16 years old. Her dream is to become a Pilot one day.

She is currently a Form Three student.

Riana sat her Kenya Certificate of Primary Education (KCPE) in 2022, scoring 339 marks out of 500.

She is the firstborn of three children: two girls and a boy.

Riana's father, the family's breadwinner, is a casual labourer. He has, however, been forced to stop engaging in heavy duties due to his epileptic condition.

This has thrown the burden of fending for the family on Riana's mother, who plaits hair in the neighbourhood to support the family.

Riana's siblings are still in primary school. They all live in a single-roomed house with power but no running water.

She believes that if she gets help to go to school, she will succeed and help her family out of poverty.

During her free time, she enjoys dancing and listening to music.
