SPONSOR AN AFRICAN SCHOLAR

SHERYL ONYANGO

Robert is 18 years old and currently a Form Three student.

Sheryl is 16 years old and currently in Form 3.

Sheryl is an ambitious young girl who hopes to become an Electrical Engineer one day.

She is the firstborn of three children, two boys and a girl. They live with their parents in a single-roomed house with power but no running water around Kongowea.

Sheryl sat her Kenya Certificate of Primary Education (KCPE) in 2022 at Kongowea Primary School, scoring 255 marks out of 500. Both her siblings also attend the same school.

Her father is a small-scale craftsman called Jua Kali in Kenya, while her mother is a housekeeper. Whatever they earn is not enough to meet the family's basic needs besides paying for their children's education.

Sheryl is always sent home to collect school fees, but her parents cannot afford it, making it hard for her to return to school.

She has promised to continue working hard if granted a scholarship opportunity.

Sheryl enjoys listening to music and dancing whenever she is free.
